OUR VISION AND MISSION

Mr. Rajnishkumar patel is a dedicated environmentalist and founder of the environment care & development charitable trust, A grassroots initiative established in 2020 in gujarat, india. His organization focuses on Large-scale native tree plantation, avian conservation and community-led ecological restoration.

HE HAS SUCCESSFULLY LED TWO STATEWIDE MISSIONS :

"Plant Banyan Trees"-promoting the plantation and nurturing of native banyan trees ;
"Save the Sparrow" - protecting endangered bird species through local community involvement.

Mr. Rajnishkumar patel has coordinated native tree plantations using the miyawaki forest technique, worked with Schools and village councils and played a critical role in advocating for environmental policy, including the ban of non-native tree species such as conocarpus in gujarat.

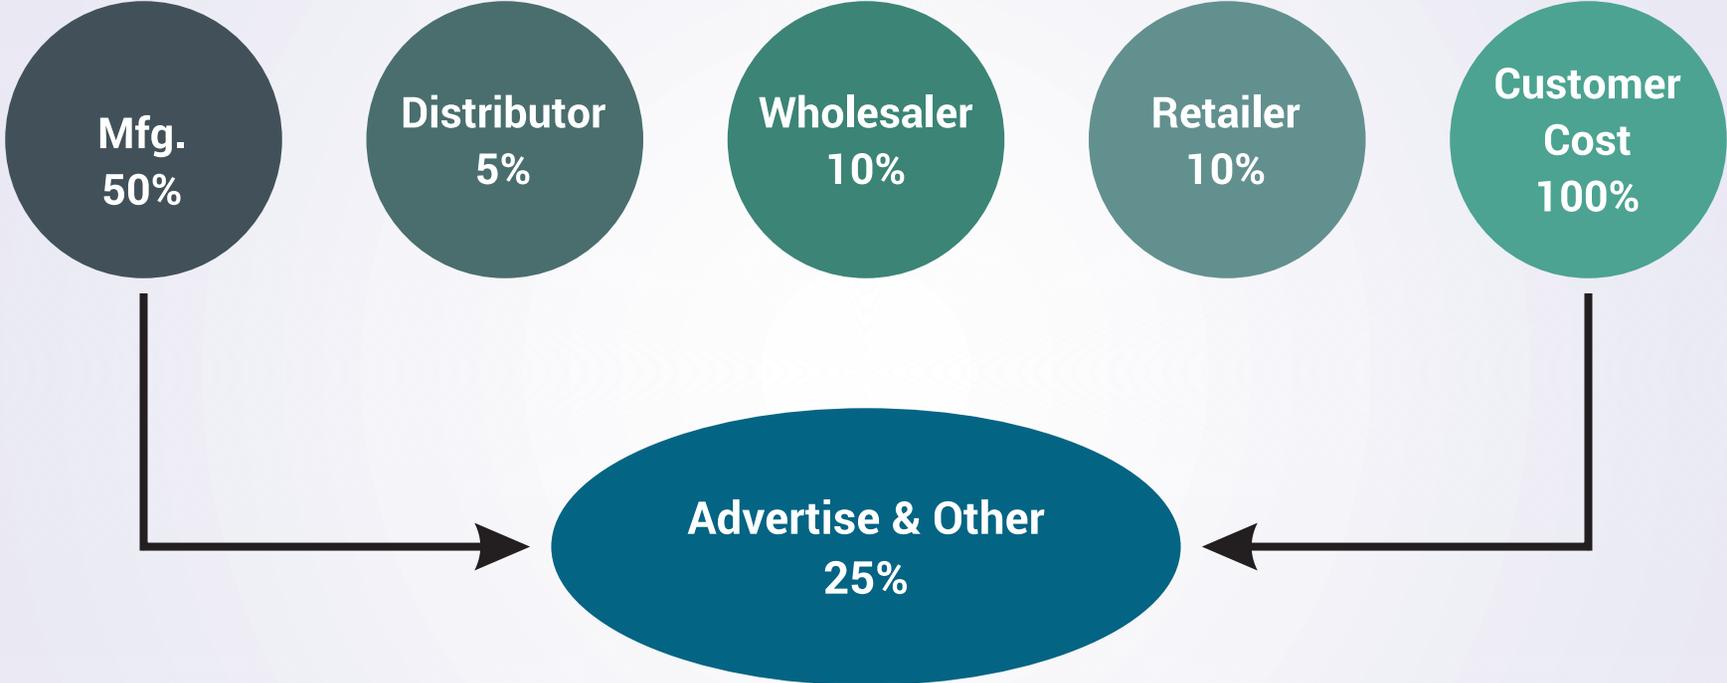

His work reflects a deep commitment to sustainable development, climate resilience, and environmental education, making him a deserving candidate for international recognition and dialogue.

"TO EMPOWER PEOPLE ACROSS EVERY VILLAGE AND CITY OF INDIA BY CREATING NEW LIVELIHOOD OPPORTUNITIES THROUGH BUSINESS, FOSTERING SELF-RELIANCE AND BUILDING A STRONG HUMAN NETWORK DEDICATED TO ENVIRONMENTAL PROTECTION, CONSERVATION AND MEANINGFUL SOCIAL IMPACT."
